Councillor Shuttleworth reported the following information to the Councillors;

The Parish Council has been sent new bus stop timetables from FIRST which are clearer and easier to read. There has been no change in the timetables. The York Bus Forum have been focusing on accessibility of buses for blind and partially sighted passengers including some options that are now being

considered by FIRST. York Bus Forum is also campaigning on the proposed reconfiguring to the front of York railway station, to ensure the ease of bus users to connect with trains. This includes revisiting the route of the number 10 back to directly serve the station.

6.2 To discuss the Stamford Bridge Parish Council Communications Policy and agree any changes been suggested by ERNLLCA (copy sent to each Councillor)

The Clerk confirmed that ERNLLCA had now looked at the Communications Policy and had amended parts of the document. This had been considered and sent back to them for approval.

As the final document had not yet been returned it was decided to move the item to January.

6.3 To discuss further the information pack for the new housing developments.

Unfortunately due to commitments during the month Councillor Kealey and the Clerk had been unable to spend any time updating names, telephone numbers and e-mails etc.

This will hopefully be done in the near future.

6.4 Discuss the next stage of the potential changes to Stamford Bridge Parish Council's boundary with Full Sutton & Skirpenbeck and Catton Parish Councils.

After discussing the boundary change and the letter in the Link from the Chairman of Full Sutton & Skirpenbeck and Catton Parish Council the Councillors agreed the following;

As the Council want to reply in person before placing an answer in the Link, it was agreed that Councillor R Clarke would attend the next FS&SPC on the 17th December and a holding statement would be sent to the Link with a full reply in the February issue.

It was agreed that all petition lists will be collected at the January Parish Council meeting, collated and sent out to ERYC with rationale and recommendations to be talked through at the January meeting.

6.5 Update from Councillor Bragg on Square Closure and agree any changes for next year.

Councillor Bragg said that once again the Square closure passed off well. The weather was not as good as last year, but the crowds were larger.

Railway Institute band, choirs and Father Christmas (thanks to Derwent Lions) had gone down very well with the residents and visitors alike.

Things that need amending before next year;

Sound system:- Rob the sound engineer is to retire after Christmas-we may have a chance to purchase his sound equipment

11. To discuss, if necessary, long-standing matters:

11.1 Update from Councillor R Clarke on the purchase of the Dresser Trust land (land behind Viking Road car park).

In Councillor R Clarke's absence, Councillor Bragg gave a Dresser Trust update. Roger Dixon (our solicitor) on Nov 28th said they are to ask the Sellers solicitor for the original Contract and Transfer documents for signature. We have received a letter today (Mon) confirming that they have now received all the searches and can the Parish Council make an appointment with Roger Dixon.

Councillors R Clarke and Bragg had attended the ERNLLCA Annual meeting and presentations on road safety and planning also the afternoon question and answer session.

13. To receive matters raised by Members:

13.1 To remind Councillors that any items they want included in the 2019/2020 Precept need to be presented at this meeting, so that the Precept can be agreed in January.

The precept needs to be agreed at the January meeting so it can be sent to ERYC by Friday 19th January.

The Clerk asked if the Councillors could e-mail him or Councillor R Clarke with any additional ideas they may have for inclusion in next years' precept so they can be discussed at the January finance meeting.

13.2 Update from any Councillors who had attended one of the prison planning meetings and also the Full Sutton & Skirpenbeck Parish Council extraordinary meeting.

Councillor R Clarke left a statement with Councillor Bragg to say that he had attended the meeting which had covered a number of issues;

Full Sutton & Skirpenbeck Parish Extraordinary meeting about the new prison was very well attended by 50-60 members of the public, 2 Ward Councillors, 5 members of the local authorities. Open floor received plenty of grievances and was summarised well by Ward Councillor Andy Burton who told the group that they needed everyone to put letters in on the portal, in person or via Full Sutton & Skirpenbeck Parish when the planning application comes live. He stressed that these comments have to be 'material considerations' and that they will use the ERYC experts and keep complaints sharp, short and to the point. (SBPC will put this portal and information on how to comment on the webpage, Facebook and in the Link) One point of interest was the lack of enthusiasm for a Stamford Bridge by-pass but for a link road from the A1079 to Full Sutton.

13.3 To discuss the format for the Afternoon Tea Party on the 16th February 2019.

Councillor Rutherford reported that 100 tickets had been printed and would be distributed from The Post Office, the catering was organised and it just required fine tuning nearer the time.

The Clerk reported that he would be putting posters on the Council notice boards.

13.4 To discuss if the Parish Council should look at an improved grant to Village Hall as a thank you for use of chairs as well as the table. Also should Dave Stephenson be paid an allowance for the use of his van in moving items to the Square?

It was agreed that the Clerk would ask Dave Stephenson to include all petrol used for both Square Closure and Remembrance Day in his final invoice. It was decided to keep the grant to the Village Hall the same as last year.

13.4 Finance report from Councillor Kealey on the 2018 Summer Fair.

13.5 Following the November 2018 Local Plan update detailing dates from 2018 to 2029 for future developments within Stamford Bridge, the ERYC offered 2 options, which one on local plan terms does SBPC wish to support?

Option 1 – small scale development

Option 2 – investigate potential for highway improvements funded largely through the delivery of significant new houses.

Following a short discussion it was felt by the Councillors that option 1 was the most suitable for Stamford Bridge.

Option 1 was proposed by Councillor Kealey, seconded by Councillor Rutherford with all Councillors present in favour.
